March 1, 2012...The United States Classics Society is pleased to announce it will be holding its 2012 annual meeting in conjunction with NAPEX taking place on June 1-3. About the U.S. Philatelic Classics Society, Inc.

The U. S. Philatelic Classics Society (USPCS) is a not-for-profit 501(c)(3) association of people interested in the pre-1894 stamps and postal history of the United States. Our goal is to promote interest and knowledge of philately through the encouragement of philatelic research, and through exchange of information among our members as well with other philatelic organizations. We do this by preparing and distributing philatelic literature and periodicals, particularly *The Chronicle of the U. S. Classic Postal Issues* and the *Chairman's Chatter*. We are operated entirely by volunteers, and welcome anyone interested in the "classic era" of American philately.
